RED CROSS PLANS ITS CLASSES

Space in Thilo Building Is Given—
Teachers Sought.

To bring about uniformity of train-
ing in the classes under the Red Cross,
the gallery of the Thilo Building is
being equipped for the first aid, home
nursing and cooking classes. The
owner of the Thilo Building has do-
nated the floor space there and the
local chapter of the Red Cross will
pay for the heat during the winter
months.

Last year the classes were held in
any places that could be obtained.

Mrs. Louis Selbert, lately appointed
supervisor of all Red Cross nursing
activities in Boone County, will ad-
dress several organizations, urging
them to donate to the upkeep of these
rooms. Mrs. Selbert wishes the as-
sistance of persons who have had any
training in home nursing, first aid
work, cooking or trained nursing, to
conduct these classes. Volunteers are
requester to telephone her.

Last year ten Columbia physicians
offered their services. They were
Doctors Sneed, Moss, Nifong, Clark,
Dolley, Thornton, Meyer, Shaefer, Ra-
venel and Kampeschmidt.

Classes held last year under the di-
rection of the Red Cross had 312 en-
rolled in first aid, and 179 in home
nursing.

This home nursing course consists
of 15 lessons and is not the same as
the course by that name offered by
the University.

Three classes will be given in Octo-
ber in home nursing, the first aid in
the morning, intended for mothers and
wives; the second in the afternoon
for girls; and the third class at night

for women who are busy during the
day.

At the monthly meeting of the Red
Cross \$2,437.35 was reported as the
balance on hand September 1. The an-
nual election of officers will be held at
the October meeting at the Daniel
Boone Tavern. It will be an open
meeting.

"Gems of Chinese Verse" is a new
book received at the University Librar-

The translations into English verse
are all from Chinese poetry of the

The poems are essentially sketches
of Nature, written by true lovers of
China's grand scenery, amid ruins
of famous dynasties and the memories
of immortal beauties, the book says.

All combine to form China's great
ideal, great charm-peace.
